LAST MONTHS PROGRAM

With 55 members and guests present Are as follows: Kevin Neeley conducted a demonstration of his segmented turning methods. Kevin discussed the four types of segmented turning, staves, compound mitered, rings, and freeform in his presentation. Also covered was design, glueing, cutting, and finishing. It was a wonderful program, Appointed positions include: thanks Kevin.

DECEMBER PROGRAM-2001

We will have our "Holiday Social" this Advisor-Dick Woodhouse month along with our regular show and tell. Refreshments will be served along Photographer-Boyko Varney For our new members, if you would like SATURDAY WORKSHOP - NOT IN OFF with a gift program similar to last years. to participate in the gift exchange, then just simply bring a gift for someone else. The gift can be anything, a turning, a tool, a thousand dollar gift certificate or something completely unrelated there.

SET UP-CLEAN UP

Edd Maxwell Robert Whitman

ELECTION OF OFFICERS

In a mostly peaceful election, a new slate of officers was presented for 2002, and quickly elected in a landslide victory, you can also help with the show. Our outstanding group of new officers

President-Don Gruis Vice President-Rick Sakaguchi Secretary-Sandy Moreno Treasurer-Bud Schenke

SHOW AND TELL

- Brent Leland

-Bob Davis brought three pieces, a square -Don Gruis showed a Christmas ornament hollow form from Honey Locust, with the "inside out" method., good work Don. now famous "Shackelford Hole" (too -Sandy Moreno turned an oblong platter small to get a finger inside to check for from Bradford Pear, great job Sandy. smoothness), and an autopsy bowl. The last piece revealed that Bob's tree MEMBER NEWS suffered from a terminal case of wood

bowl)—great work

-Larry Transmier showed his segmented bowl and it looked great.

Christmas ornament from Maple.

-John Shackelford's turning the best turners around and it shows in sounds wonderful. these two pieces.

-Bruce Page brought four great turnings, a square edged platter in Cherry, a small Walnut bowl, and two small bowls from his Boston mystery wood.

-Bob Whitman showed a really good looking pen-good work.

-Rick Sakaguchi brought a small Walnut bowl-really good looking work.

-Carolyn Thurman turned a tiny minature natural edged bowl-outstanding work.

-Chip Siskey brought two pieces, a bowl showed a very good with a flat natural edge rim(offset flying example of spiral turning in Maple-great saucer), and a hollow form with a natural edge, both outstanding work.

edged natural edged bowl in Maple, a from Mahogany which he turned using the

Danny Moreno"s new woodworking store -Alex Garcia turned a piece from Chechen will be located in the Antioch Shopping with a flat natural edge rim(flying saucer Center, north of the river on Antioch Road. The store will be located on the east side, latest lower level, with an outside access. Danny will open Dec. 15th with store hours of 9 to -Kent Townsend showed a great looking 7 Tuesday thru Friday, and 9 to 5 on Sat.(closed on Sunday and Monday). A few skills of the items for sale includes wood, tools, continue to slowly improve. This month lathes, and books. An art gallery is planned John showed a hollow ball w/stand from and Danny will also have instructional Mahogany, complete with the Shackelford classes at the store. Danny mentioned he hole, and a large platter from Spalted also plans to mail additional information to Maple. All kidding aside, John is one of our members. Good luck Danny, your store
