## AUGUST PROGRAM HARVESTING WOOD

Our August program will be presented by Danny Moreno.

It will be the program mentioned in the July newsletter that had been scheduled for July, but due to a leg injury, Danny was unable to stand upright

This will be an informative demo don't miss it.

Dan will be bringing in his band saw and the electric chain saw to the club meeting for this demo.

## PICNIC A SUCCESS

Those who attended the picnic need to give Sandy Moreno a big hand for all of her hard work and time in making our first? Annual? Picnic a success. I also want to thank those folks who brought their lathes. Next time we will turn first, eat second. Merle

## THANKS TO ANTHONY HARRIS

JULY'S program was a pinch hit affair given by Anthony Harris. Being the pro that he is, he was able to put together a "Home Run" demon on a small threaded lidded box out of English Boxwood. Anthony....we really appreciate you stepping in for our injured player.

Merle
