January Demonstration

The challenge for February is to turn a whimsical/off-center object/tree.

Whimsical Trees
presented by KCWT
member:
Anthony Harris

During this month's demo, Anthony walked the group through the steps in creating a Whimsical Tree.

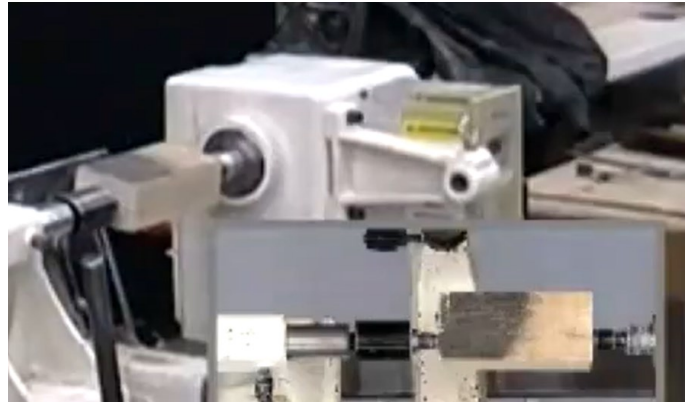

Turning a Whimsical Tree

There are multiple steps to creating a successful off-center or whimsical tree. Watch the video of the demo to learn more. The video can be found on the website.

The basic steps are below and on the following pages.

- Use a rectangular block of wood and mount between center. It should be mounted off center as seen in the top picture
- Turn a tenon in a doughnut shape
- Mount the tenon in a chuck.
- Put the live center on the opposite side of the center of the tenon
- Turn the top bough of the tree

Turning Whimsical Tree

- After the top bough is turned, back the live center off but leave close for a reference point
- Move the center point of the top bough a short distance (around 1/8-1/4 inch) from the live center.
- Turn the next bough.
- Continue this process down the tree then part the tree off at the bottom
- Sand the bottom to finish

Notes:

Anthony used a multi-step process to turn each bough. This included the use of a spindle gouge, skew, and parting tool. watch the video for a detailed step by step explanation.

Alter the pattern of the tree by the distance and direction of the off-center move between each bough.

Turning a Whimsical Tree

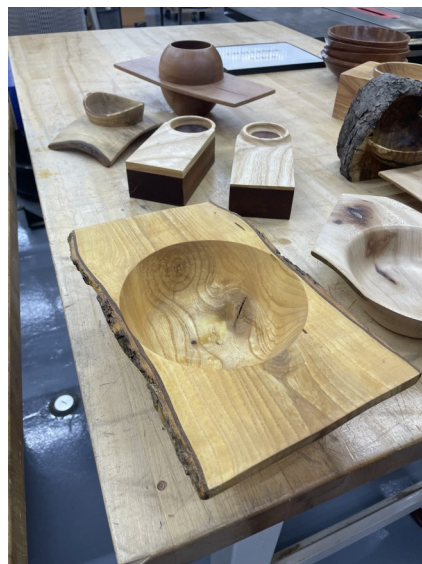

Here are some pictures for inspiration

***Give it a try and bring your turned whimsical piece to the Feb. meeting!**

January Challenge

The challenge this month was turn something that is “emerging”

January Show 'N Tell

Several impressive pieces presented during the Show 'N Tell portion of the meeting.

Don Gruis

Longtime KC Woodturners member and friend Don Gruis passed away on Sunday, January 11th at the age of 93. Don joined our club in February 1997, just a couple years after the club was formed.

Some of Don's favorite turning projects were making wood and recycled glass canisters and glasses on the lathe. He demonstrated this for our club a few times over the years. Don was very frugal and didn't like to waste useable things if possible. He would mount a recycled glass container on the lathe, a wine bottle or something nicely shaped, and cut glass apart using a glass cutter. Then he would turn a wooden lid and pair it to the cutoff glass to make a storage canister or maybe turn a wooden stem to create a goblet.

Don Gruis enjoyed being a KC Woodturners member for nearly 30 years. He had a great sense of humor and enjoyed sharing his knowledge with others.

Don's name has been added to the list of passed members that were recognized for their impact on the club. The KC Woodturners Members Memorial Scholarship Fund was created to recognize these passed members and was created for two reasons. The first reason was to recognize some of the KCWT members, our woodturning friends, that have passed away. The second reason was to provide an educational fund to give a free woodturning class to one deserving KC Woodturner member each year in remembrance of past members. Please see the club website for more details.

Local Sponsors

One of your KC Woodturners member benefits is a 10% discount with these local sponsors. You will need to show your KCWT Membership Card. No discount on electrical (plug-in) items.

January 2026 Monthly Meeting

- Welcome to all Members and Guests!

Tonight's Agenda:

- Club Announcements
- Demonstration: Anthony Harris – Turning an Eccentric Tree
- Refreshment break / fellowship
- January Challenge – “Turn something emerging”
based on Brian Bartelli's November demo
- Show-n-Tell project presentations by members.

January Announcements:

- As of last Monday's Board meeting, we had 43 paid members for 2026. If you have not already paid your 2026 dues, please do so now. 2026 club membership payment is available on the website, *kcwoodturners.org*.
- This past Sunday, nine KCWT members gathered at the shop and finished turning 30 batons for the KCKPD. Thanks to all that helped fulfill our 2026 commitment!

January Announcements:

- This month's Challenge drawing winner will win a (2) \$10 Craft Supply Gift Certificates
- Does your name tag have an Emergency Contact label on the back? If not, see Kris Coyan during our break and I will get you one.
- Are you looking for an opportunity to sell your turned items? Consider participating in one of the First Fridays events that will start in April.

January Announcements:

- Over 530 toy trucks were constructed at this years Santa's Workshop. Each truck included a KCWT turned spinning top!
- We had about 60 participants at the December Holiday Party. Plenty of good food and lots of good conversation!
- This month's Dollar Sweepstakes winner will choose from several great prize options, including some very nice tools and a tool rest, get your tickets now!. Don't miss your chance!

KCWT Social Media:

- If you'd like your work featured on the KCWT Instagram and/or Facebook social media pages, email photos and description to Phill Sikes (phillsikes@gmail.com).
- You can also tag or mention our account (@kc_woodturners) or invite us to be a collaborator on your post. If you have questions, reach out to Phill.
- Social media is great exposure for our club!

KCWT - Open Shop:

- Available every Saturday morning from 8:30AM-12PM or later, Wed and Thursday evenings 6PM – 9PM (except for 3rd Wed each month, due to Guild meeting).
- Please help keep it clean, wear your badge, sign in.
- Use the doorbell at the back door if the front door is locked.
- Please report any equipment problems to a Board member.
- Watch for the next shop clean-up date!

The 2026 KCWT Officers:

- KCWT Slate of Officers for 2026:
 - President: Kris Coyan
 - Vice President: Mike Thomas
 - Treasurer: Kevin Neelley
 - Secretary: Elizabeth (and Calvin) Wright
