\$64.67 received from **AmazonSmile** for their October distribution. Thank you all of you who have made KCWT your charity on AmazonSmile. Every bit helps.

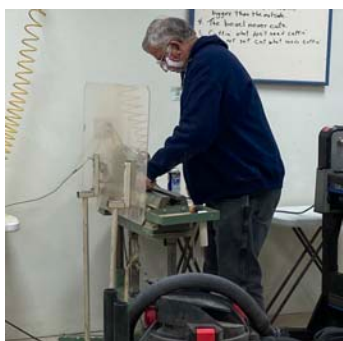

Saturday 11/20 was a cleanup day for the shop and a bunch of members showed up and in a couple hours the job was well done and some items were fixed as well. Thank you to all who helped that day.

Thank you

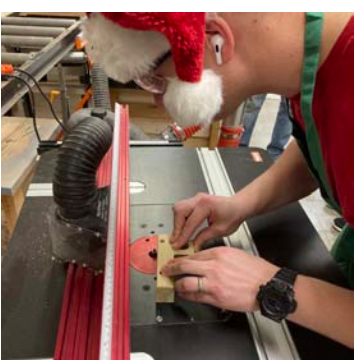

ALL

November 20-21 saw the clubhouse at 3189 Mercier KCMO 64111 transformed into a Christmas Wonderland from 10:00AM to 5:00PM for **SANTA'S WORKSHOP**. There were hundreds of children and their families who came through during the two days of the event. There were also a great many Guild and KCTurners who helped for the event and made it the immensely successful event it turned out to be. Mike McCauley, of the Guild (Santa), generated the idea and each child had a chance for some one on one time with Santa.

A huge thank you to all who helped with the event.
