

WOODCHIPS 2023

Volume 29 Number 7

3189 Mercier St, Kansas City, MO

The Woodchips is back!

Hello, I am Calvin Wright. I have accepted the responsibility as Board Secretary for our local chapter. My wife Elizabeth is the main turner of our family, but I am learning as well. This is one thing I know I can do to help out even if I do struggle to make a planing cut with a spindle gouge. I look forward to my time and hope you find these enjoyable and informative.

Out and about

On June 17th, many of us took time for the annual cookout at Shawnee Mission Park. There was great food and great fellowship. If you missed this year, plan to come next year.

From the Meeting

This months demonstration was a show and tell to gather ideas for things to make and use for the Irish fest coming in September. There were many great examples of boxes, Ornaments, cup and ball games, wheat pots, and more. Irish Fest will be here soon, so please do what you can to make some smaller items that will sell for \$50 or less.

The new site for our meetings is still progressing forward, no new news to share this month. More to come.... We are in need of totes for packing. If you have some you are not using consider donating them to the club.

There is still a need for opener and closers for the club please let us know if you can help.

There will be a pen turning Demo for the Boy Scouts on August 26th from 7pm-8pm. If you can turn pens and want to help show a group of Boy Scouts how to do it. Join us. It was asked that you bring a kit, and a blank if you have one. The scouts can only watch the turning, but they will be putting the kit together.

There is a shop clean up scheduled for August 5th from 10-11. Come help tidy up the shop if you can.

Safety Minute

There was no formal safety minute at this months meeting. Look forward to next month where we will learn to be a little safer in our craft. I will say that a tidy shop is a safe shop. Remember to take the time to vacuum, put tools away as not to cause a hazard.
