Brad Ivy

Let's make him feel welcome!

DEMONSTRATION

Have you ever thought about demonstrating a technique or a how to make a cool project? The club is always looking for volunteers to Demo their stuff. Contact Mike Thomas at vp@kcwoodturners.org

- Member participation
- Shop Openers are needed or we may have to adjust open Shop hours
- Needing Tubs and Totes for storage and relocation of club items. These can be dropped off in the shop.

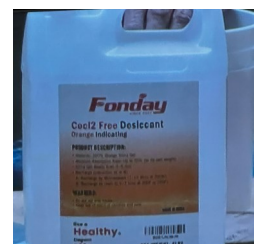

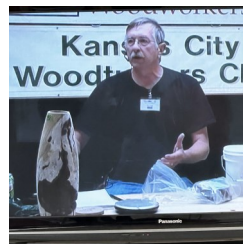

Safety Minute

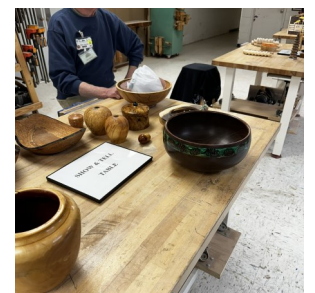

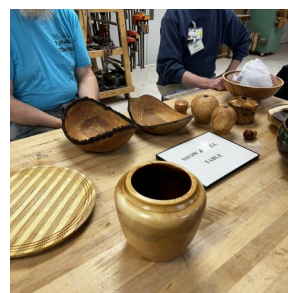

This month Phil was unavailable to deliver a safety minute. I have noticed however, that being safe is more than equipment, safety guards, or technique. I have found that if I am tired, I tend to make mistakes, I tend to rush, and I am more apt to turning in an unsafe manner. Just like driving while drowsy, turning while overly tired can lead to a mishap. Take time to rest, and listen to the body if you need to take a break or even a nap.

From the Meeting

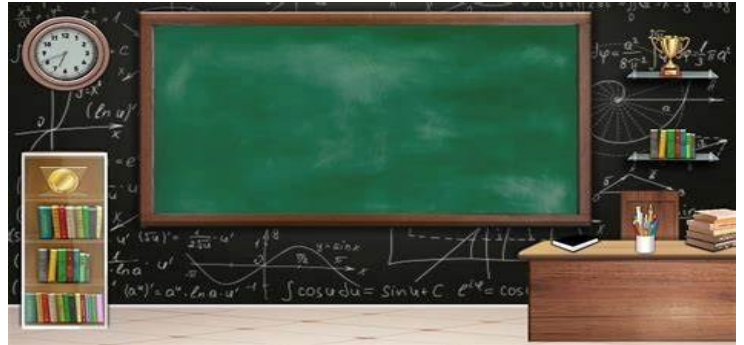

This Month's Demo was
"Drying Wet Wood with Desiccant Beads".
Presented by KCWT MEMBER: Don Frank

September Challenge
Skew Practice Stick
