## We're Moving

The Woodworkers guild announced that a lease has been signed on a location in the "Crossroads District". The new location is located at 1717 Washington Street, Kansas City, MO 64108. The KCWT will be reducing our footprint to approximately 920sqft and the rent for the new space will \$2168 per month. It is anticipated that the loca-

tion will drive traffic and interest in our clubs.

The anticipated move date is sometime after the first of the year around the end of February. Upgrades to the building including power need to be completed prior to moving in. Watch for more information to come.

## Demonstration

This month, Anthony Harris provided a Demonstration on how to make a Hollow globe Christmas Ornament

He did use a special tool made by our own Kevin Kneely to assist in the Hollowing. This tool is the subject of a possible Saturday "How to class" coming up in the future.

**"...If there is wood in the rack that is of interest to you, please take it home!"**

## November Announcements:

- The Board will be organizing a clubhouse purge (probably in December), with a goal of reducing the amount of stuff that will need to be moved to the new location.
  - May be some free stuff for members that assist with this effort!
- Note: ANY member is welcome (and encouraged) to take any of the wood that is currently on the wood rack in the shop. If there is wood in the rack that is of interest to you, please take it home!
  - Please do not bring any additional wood for the wood rack, we don't want to have to move it!
- Phill Sikes has created a new Instagram account and is looking for photo's and content.
  - Instagram handle: @KC\_woodturners
  - Instagram name: "Kansas City Woodturners"

### Board Elections

2024 Elections were held at this month's Meeting. And leadership will remain the same. The Board thanks you for trusting us with the club.

President: Kris Coyan

Vice President: Mike Thomas

Treasurer: Kevin Neelley

Secretary: Calvin Wright

**Board Members to remain the same for 2024**

### Annual Holiday Party

Our club meeting this month will be a Holiday party. The Club will provide the main dish (Beef, Ham, & Turkey Sandwiches), all the fixins including wine and soft drinks.

Members are encouraged to bring a salad or dessert.

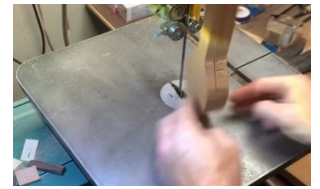

There will be a voluntary Team Turning event:

Voluntary Gift Exchange (Bring a hand turned gift if you would like to receive a gift.)

## Safety Minute

Phil provided us with a tip for being safe around the shop. Phill showed a video demonstrating what bad things can happen if you choose to cut round or unsupported wood on a band saw. These pieces will likely get drawn downward causing a tremendous kickback allowing for injury. For this type of piece, a hand saw is the best option.

**Never unsupported.**

### Challenge Piece

The challenge for November was using some method for drying wet wood. There were many varieties of methods presented, all with varying degrees of success. Great job to all who participated in this month's challenge.

### Show and Tell

**Show and tell is a great way to show your skill and artistry using the wood lathe. Make plans to participate this coming year.**

## Kansas City Woodturners

### Just a little Humor

After his work with the Avengers was complete, the Hulk opened a custom woodworking business.

He called it  
"Bruce Banisters"

### Local Sponsors

One of your KC Woodturners member benefits is a 10% discount with these local sponsors. You will need to show your KCWT Membership Card. No discount on electrical (plug-in) items.
